SHOW ACTS

H2O Show Safety:

Performer and audience safety is the No 1 priority for H2O.

H2O will implement detailed Safety and Operating Procedures.

H2O is proud of their safety record having performed in excess of 3,500 jet ski and fly board shows over the past 2 ½ years with no injuries or safety emergencies.

H2O has designed a 'safety cell' to automatically disarm the fireworks on the jet skis.

H2O provides water safety & rescue to major events called H2O RESCUE.

H2O Show Communications:

H2O has design a water proof communication system which cues all performers to allow for a precision timed and choreographed show.

H2O Award:

H2O wins at the Australian Event Awards
'Best International Achievements in Events' – Chimelong Ocean Kingdom
